Profile

Final-year BSc IT student at Richfield Graduate Institute of Technology, passionate about Java programming, data analysis, and problem-solving. Experienced in building small software projects, analyzing datasets, and practicing coding challenges. Seeking an IT internship or WIL placement to gain real-world experience and contribute to impactful projects.

Technical Skills

- Languages: Java (console & GUI apps), Python (data analysis), C++ (basics)
- Core Skills: OOP, algorithms (arrays, hash maps, recursion), data visualization
- Tools: Microsoft Office Suite, basic MySQL, Python libraries (Matplotlib, Pandas)
- Soft Skills: Quick learner, problem-solving, teamwork, adaptability, time management

Projects

- Java Task Manager (Console & GUI) - Developed a task manager app with task creation, search, completion marking, and file persistence.
- Exploratory Data Analysis (Mall Customers Dataset) - Cleaned and visualized customer data to extract insights using Python.
- LeetCode/OOP Prep - Solved 40+ coding problems focusing on arrays, sliding windows, and recursion patterns.
- Quantum IT Project Research – Worked on creating Project Aegis. A Post Quantum Encryption Self Hosted Vault.
- Identified a popular local restaurant lacking online visibility. Reached out to the owner and volunteered to create a Google Business profile and a responsive website (**oyoma.netlify.app**). Improved customer access to contact details, location, and hours, boosting the restaurant's online presence.

Dear Sir / Madam

RE: WORK INTEGRATED LEARNING (WIL) PROGRAMME

This is to confirm that Mr Jeremiah Archary, Identity Number 0209045192082 is registered at Richfield with student number 402203868 for the Bachelor of Science in Information Technology.

We are currently seeking organisations that can offer training / workplace experience for our students where they would acquire practical, real-world experience and exercise knowledge gained through their respective qualifications.

Work Integrated Learning is a vital requirement for students to complete their qualification and graduate. Additionally, this serves to bridge the gap between academia and industry.

The minimum duration for the WIL programme is 150 hours (at least 19 working days). However, it would be appreciated if the company could consider subsidising travel and subsistence allowance for the student, at the company's discretion.

The Richfield Graduate Institute of Technology would like to foster a dynamic relationship with your organisation to develop a spirit of co-operation and goodwill that would lead to a skilled workforce thereby contributing to the development of our communities and society at large.

We would appreciate if your organisation can accommodate our students for the WIL program.

Yours faithfully

Richfield Graduate Institute of Technology (Pty) Ltd

WIL Coordinator Name: Khanyisile Ngcobo

4 September 2025

Thank you for your contribution to the 8th edition of the Festival of Motoring powered by WesBank

Student Work Role: Event Operations Assistant / Media Day Assistant

Duties Performed: Assist the FoM Crew with event assistance. Relieve students when needed. Assist Ronnel and Hafsa. Assist with accreditation of guests from morning breakfast and evening cocktail function, Guide media during the day to visiting stands.

Overview of the Media Day procedures from 28 August until 31 August 2025. Hand out wristbands to Media on presentation of letter - provide event information to the media

Date of Participation: 28 - 31 August 2025

Name of Event: Festival of Motoring

Dear Jeremiah

On behalf of the Festival of Motoring team, I would like to extend my sincere gratitude for your outstanding contribution during the 2025 edition at Kyalami.

This year, our theme highlighted the *Spirit of Ubuntu* – the belief that we achieve more together than we ever could alone. Your presence embodied that spirit. The way you worked seamlessly with the team, your camaraderie, and the warmth you showed to our guests did not go unnoticed. You helped create the welcoming and engaging environment that defines the festival.

The team truly enjoyed working alongside you, and your energy added to the success of the weekend. Thank you for being part of this shared achievement and for contributing to an unforgettable event.

We wish you continued success in your studies and future career, and we hope to welcome you back to the festival family again.

With appreciation,
Yours sincerely

JudyM
